

DHA Formulary Review Program

The DHA Formulary Waste Review program is a **free** service offered to all DHA facilities.

Let us help you—

- Protect your staff from hazardous substances
- Promote proper pharmaceutical waste disposal
- Maintain your DEA registration

Our experts can help with waste determinations —

- NIOSH Hazardous Drugs/USP 800
- EPA Hazardous Wastes/40 CFR 261
- DEA Controlled Substances/21 CFR 1307 & 1308
